Mondi Ascania revs up production with an innovative laydown belt

WORLD WIDE WEAVE

Picture 1: One of its latest acquisitions of Mondi Ascania is the novel CONDUCTIVE® 7690 laydown belt made by GKD for its SPC line.

Picture 2: The endless belt of GKD is 30.5 metre long and 4.5 metre wide.

Picture 3: Through its significantly more favourable cleaning properties, the GKD laydown belt increases the overall efficiency of its highly demanding production process.
