

Transparent media façade for Atlético Madrid

Stadium of superlatives impresses with emotion and convenience

WORLD WIDE WEAVE

Picture 1: Six transparent Mediamesh®-panels from GKD, each measuring six meters high and four meters wide make up the visually seamless screen.

Picture 3: Even when switched off, the transparent screen meets the client's highly stringent requirements with regard to aesthetics.

Picture 2: The transparent media façade from GKD almost spanning 150 square meters on the outer wall of the main stand emphasizes the superlative nature of the stadium.
