

GKD: Sought-after expertise

Metal mesh as a powerful problem solver

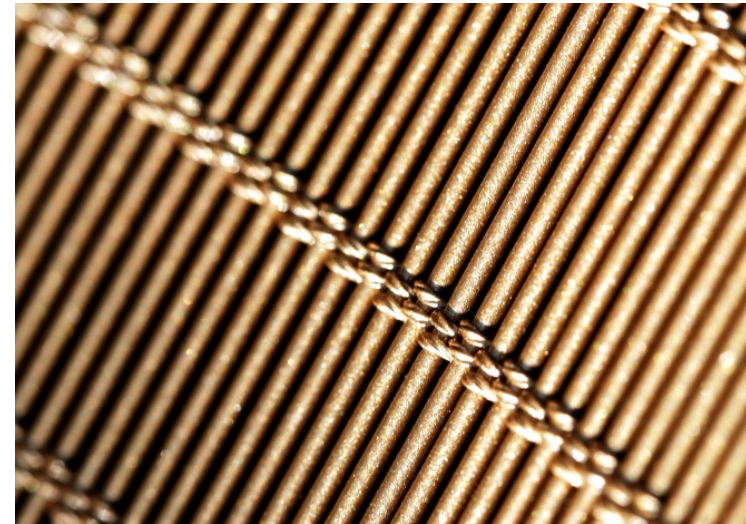

Picture 1: The metallic component lends the fabric a performance spectrum that goes far beyond conventional textile designs.

Picture 3: Anti-stick coated glass hybrid belts attracted many visitors to the GKD stand.

Picture 2: The added value of metal fabric over textile media was a key talking point at the *Tehtextil*.

Picture 4: Metal mesh developed for specific applications in architecture attracted numerous visitors to the GKD stand.
