

Muscat International Airport:

Metallic fabric lends the gateway to Arabian Nights a modern face

WORLD WIDE WEAVE

Picture 1: 200 square meters of the grid ceiling made from metal fabric from GKD mark the transitions to both the north and south piers.

Picture 2: The immigration counters mark an optical highlight in the central wing with their projecting roofs made from stainless steel fabric from GKD.

Picture 3: Projecting roofs made from stainless steel fabric from GKD cover the desks, creating a representative welcome area.
